The following have been suggested as the first members of an INA Speakers Bureau. Call on them:

Don Mark, Adel and Des Moines
John Hickman, West Des Moines
Burl Armstrong, Donnellson
Paul D. Lyons, Burlington
Robert E. Douglas, Hiawatha
Eugene Morris, Forest City

STATUE OF LIBERTY COMMEMORATIVE COIN LEGISLATION INTRODUCED

Legislation authorizing the minting and sale of coins in commemoration of the centennial of the Statue of Liberty was introduced today by Chairman Frank Annunzio (D-Ill.), of the House Consumer Affairs and Coinage Subcommittee.

The sale of the gold, silver and copper-nickel coins will raise up to $137.5 million to help pay for the restoration of the Statue of Liberty and Ellis Island.

"The Statue of Liberty symbolizes the promise of America," said Annunzio. "It holds the promise of a new life: to the oppressed, freedom; to the tired, comfort; to the homeless, shelter. America's wealth is its rich ethnic diversity. America is composed of many small communities, each distinguished from the other by language, religion and nationality. Despite the great diversity, there are common values: a love of freedom, a sense of justice, and a passionate regard for liberty. The Statue of Liberty and Ellis Island symbolize these virtues."

Both the Statue of Liberty and the immigration facilities on Ellis Island are in dire need of repair. The Statue of Liberty-Ellis Island Foundation has planned to spend $230 million for the restoration of these two symbols of America.

Sale of the coins could raise up to $137.5 million. Three different coins are authorized by the bill. Up to one half million gold coins containing a quarter ounce of gold; ten million traditional silver dollars containing over three-quarter ounces of silver; and up to 25 million copper nickel half dollars can be minted.

The gold coins would commemorate the centennial of the Statue of Liberty in 1986. The silver dollars would be emblematic of the use of Ellis Island as a gateway for immigrants to America. The half dollar would honor the contributions of immigrants to America.

At current market prices, the gold coins should cost purchasers under $150, the silver coins about $20, and the half dollars about $6. These prices include a surcharge of $35 on each gold coin, $7 on each silver coin; and $2 on each half dollar, with the funds going to restoration and renovation of the Statue of Liberty and Ellis Island, and to establish an endowment to assure the continued upkeep and maintenance of these historic monuments.

The coins would be sold directly to the public by the United States Mint and would also be available through Federally-insured banks, savings and loans and credit unions that wished to carry them for sale.

"The Statue of Liberty and Ellis Island will stand for generations as testament to the American immigration story. Children and grandchildren will be able to go and literally walk in the footsteps of their ancestors. When President Grover Cleveland accepted the Statue of Liberty, he made the following promise: 'we will not forget that liberty has here made her home; nor shall her chosen altar be neglected.' With this legislation we will keep that promise," concluded Annunzio.

COINS CLUB'S SECRETARIES AND MEMORIES 1984

How often do we bestow praise and appreciation to all of our Club's Secretaries? I'm sure you would agree that so often we really don't give much attention as to just what this person really is doing for our club. I believe we could say, a Secretary is like our today's world of computers. They record and store information of club happenings and are able to produce in words what was said in the past, present and future of the club. They are not machines, but understanding and helpful people.

The Burlington, Iowa Coin Club lost a beautiful and warm-hearted lady who was the former club Secretary, who gave of her talents and time to help make the club a better organization in our Numismatic circle of collecting.

"What is in a name"? You have heard this phrase used once-in-awhile. The lady I'm talking about is, Kaye Weddle.

Mrs. Kathryn, "Kaye" Weddle 63 died suddenly Saturday, Dec., 15, in "Seven Bays", Washington, of a heart attack. She was the wife of Bob Weddle who was Burlington's past President for six years. (1977 thru 1982) Kaye and Bob had retired and moved to Seven Bays, Washington in August of 1984. Surviving: husband, Bob Weddle, two daughters, Paula Brown of Huntsville, Ala., and Mrs. Karen Lancaster of Burlington, Iowa, one son, Mike Weddle, Burlington, grandchildren, brother and Kaye's mother Mrs. Shunick.

Collectors in South Eastern Iowa have fond memories of Kaye Weddle and her presence will be missed. Who she really was and what she did to help the club in Burlington, Iowa, also several other clubs will always be remembered.

Burlington, Iowa Coin Club Historian,
Paul D. Lyons
